Guarantee

Experience the trouble-free cistern  
that is reliable and easy to operate

## CHAMPION V2

experience the trouble - free cistern  
that is reliable and easy to operate

### Commander Champion advantages:

- Streamlined cistern designed with a capacity of 10 litres as specified by ISI.
- Cistern body moulded from virgin polypropylene.
- Adjusting screw allows setting level from 7 to 10 liters.
- Feather touch operation ensured by air pocket in clock valve which exerts an upward thrust of 125 gsm according to Archimedes principle.
- Derlin valve made from acetal; tested for 20 kg/sq. cm pressure, ensures leak proof operation even in high rise buildings.
- Parabolic valve on ball and socket joint; ensures perfect sealing.
- Hard wearing scratch resistant ABS valve seat for long life.
- Engineering grade plastics; ABS, Acetal, Nylon and Glass reinforced Nylon etc. selected according to function of component to give reliable performance.
- Available in white, pastel and special colours.

### Commander Champion is available in 3 models :

High level, Low level and Orissa Pan
